

1. I was born in Washington State.

After the 5 years ended, me and my parents moved to Lindsay. I like Lindsay better than Tulare.

At the end of my Junior year I was given an award for outstanding achievement in Drama class.

I speak two languages: fluently.

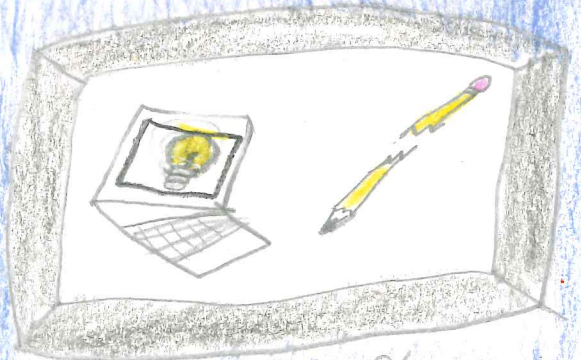

2. I lived in Washington state for 7 years.

I started out in 7th grade when I moved to Lindsay. I first day of school in class I cried because I was very scared of being in a room with people I didn't know.

I also participated in three plays, The Producers, A Red Neck Christmas carol, and my favorite Avenue Q.

I am a slow writer and a good typer.

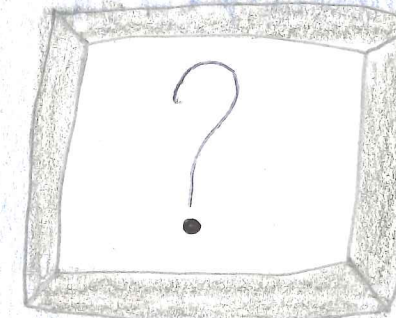

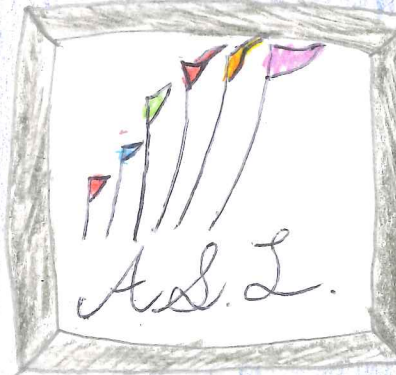

3. In the summer of 2006 me and my parents moved to C.A. I did not like it.

After 7th grade 8th grade was easy and fun. I attended Reagan Elementary.

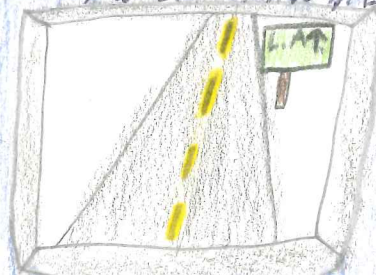

I went to six flags on my dear day with my A.S.L. Club.

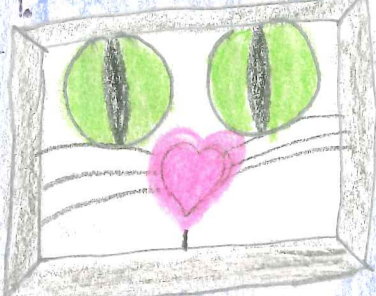

I am a very curious person.

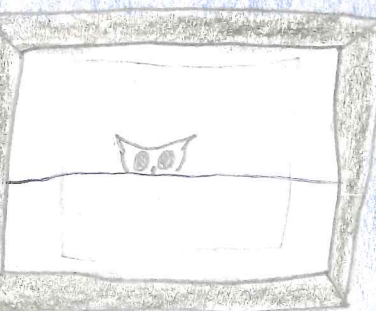

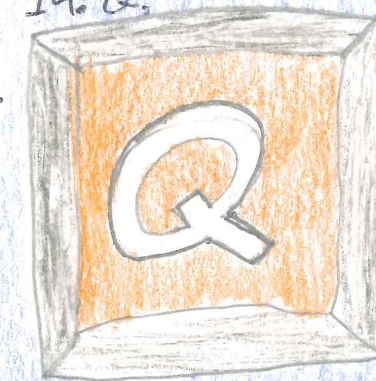

4. On the bright side of living in C.A. is that I get to visit my god parents more. They live in L.A.

For my 15th birthday my parents gave me a kitten.

I had to go to North Hollywood to attend a six hour intensive pup-ery lesson for Avenue Q.

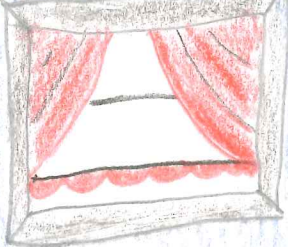

I am a very, very detail oriented person.

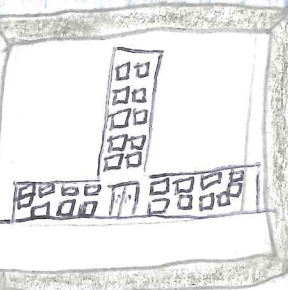

5. When I moved to C.A. me and my parents moved to Tulare. We lived there for 5 years.

On my Junior year at high school I signed up for drama.

I like to roller blade.

I plan on attending A.M.D.A. After high school.
